

# Glynne Nursery 2019

We are very excited to share that our nursery has been revamped! A large amount of money has been spent on new furniture and resources.

The furniture allows the resources to be on display and more accessible. This means that the children are able to independently choose their preferred equipment, making learning more relevant and purposeful.

This September the new cohort has settled so well and are already confident in making independent choices in their learning.

Parents have commented on the fantastic, engaging learning environment and how happy their children are to come to nursery.

Staff feel the children are using the environment and resources so well that they are gaining many valuable learning experiences.

They have also commented on the fact that the children are already experts at tidying away, 'putting things back where they belong'.

If you would like to visit our nursery, please contact the school office for further information on 01384 816960.

(Mrs Fiona Pearson –Assistant Head/ EYFS and KS1 Leader)
