PRIVACY NOTICE - DATA PROTECTION ACT
2021-22 – ADDITIONAL SERVICES

The School uses information about children for whom it provides services, to enable it to carry out specific functions for which it is responsible, below are a list of services used by the school where sharing pupil data is needed.

Groupcall XPorter

This software for schools allows third parties to access their MIS data to provide applications such as parental engagement or homework software. Most third parties use Groupcall Xporter to achieve this. It's installed in over 20,000 schools to transfer data safely, securely, uniformly, and all under your control.

For further information, please refer to the Groupcall website.
If you are unable to access the website the postal address is:

Groupcall Limited The Estate House, 201 High Road, Chigwell, IG7 5BJ

Just2easy

J2E is an online creativity tool designed for education. It provides access to a range of on-line tools and resources for pupils and teachers. Access to the J2E resources is through the school's learning platform provided by RM Education.

For further information, please refer to the Just2easy website
If you are unable to access the website the postal address is:

Just2easy Limited, Digital House, Stourport Road, Kidderminster, DY11 7QH.

Libresoft Librarian

Libresoft provides a self-service library management system promoting reading and information culture, motivating independent readers and learners for life whilst developing ICT skills. Libresoft provides a tool to quickly update the library information directly from the school administration system in one smooth process, establishing a dynamic read-only link that can update pupil and staff details instantly.

For further information, please refer to the Libresoft website.
If you are unable to access the website the postal address is:

Libresoft, Harrap Computer Systems, 37 Courtenay Road, Winchester, SO23 7ER

June 2022

Purple Mash/Evidence Me

Purple Mash provides a range of on-line creative tools, curriculum focused applications and resources to support and inspire pupils and teachers throughout the curriculum. They are hosted completely online and are web browser driven. Access to the Purple Mash resources is through the school's learning platform provided by RM Education. Evidence Me is an app for capturing observations on the move. It improves the quality and consistency of formative assessment, while also saving educators hours of record keeping time. Photos and progress may be shared with parents via email.

For further information, please refer to the Purple Mash/2 Simple website
If you are unable to access the website the postal address is:

2Simple Software • 2-10 Baron Street, London N1 9LL,

RM Education

Dudley schools receive a number of services delivered through the ICT managed service provided by RM Education plc (RM). These arrangements are overseen on behalf of schools who have signed up to the service by Dudley Grid for Learning (DGfL) - a Division of the Directorate of Children's Services (DCS), for Dudley Local Authority.

A number of Data Processing agreements in place with RM, covering services such as RM's school management information system, RM Learning Platform. These systems make some use of personal data which is held away from school at secure data centres with the RM group.

For further information, please refer to the RM Education website.
If you are unable to access the website the postal address is:

RM Education Plc, 183 Milton Park, Abingdon, Oxfordshire OX14 4SE

Accelerated Reader

Renaissance Place is a cloud-hosted platform that gives teachers instant access to pupil data. It is through this platform that we run Accelerated Reader which is an online tool used with children in Year 4, Year 5 and Year 6 for monitoring and managing independent reading practice. The aim of the programme is to motivate children to read for pleasure. A pupil reads a book, takes an online quiz and gets immediate feedback. Accelerated Reader uses individual pupil information taken from the schools management information system. There is also an online book searching

tool AR Bookfinder which is publicly available and can be used by children, teachers and parents to find books at the right level. Renaissance Learning also hosts **Star Maths** on the same platform.

For further information, please refer to Renaissance website
If you are unable to access the website, the postal address is:

32 Harbour Exchange Square
London E14 9GE

Parentpay

ParentPay is the market leader in online payment for schools. They provide online payments, income management and dinner money administration for schools, authorities and caterers. ParentPay's school ePayment system means over 1.5 million parents can pay school online quickly and easily, helping to keep children safer.

For further information, please refer to: Parentpay website.
If you are unable to access the website, the postal address is:

The Exchange Express Park, Bristol Road, Bridgwater, Somerset. TA6 4RR

gAPPs Education/Monster SATs

This is an on-line programme that assesses pupils' progress and their learning needs, supports self-evaluation and target-setting, helps teachers shape their teaching to address the learning needs of pupils, provide information for parents on their child's strengths and weaknesses

For further information, please refer to: gAPPs Education website. If you are unable to access the website, the postal address is

53 Stoney Street, The Creative Quarter, Nottingham, NG1 1QX

TT Rock Stars

Times Tables Rock Stars is a carefully sequenced programme of daily times tables practice. Each week concentrates on a different times table, with a recommended consolidation week for rehearsing the tables that have recently been practised every third week or so.

This format has very successfully boosted times tables recall speed for hundreds of thousands of pupils over the last 8 years in over 14,000 schools - both primary and secondary - worldwide

For more information refer to: <u>TT Rockstars</u>. If you are unable to visit the website, the postal address:
Maths Circle, Ossory Office, Hazelwood Lane, Ampthill, MK45 2HF

Testbase

Testbase was formed by two teachers who, even in the early 1990s, realised that harnessing technology would make teaching and assessing much easier. They developed the first question bank used in schools so that teachers could dispense with filing cabinets of past papers, scissors and glue! GCSE and A-level databases for maths and sciences were soon followed by the National Curriculum Test (SATs) questions for English, Maths and Science.

For more information refer to: <u>Testbase</u> If you are unable to visit the website, the postal address:

2nd Floor Lynton House, 7-12 Tavistock Square, London, WC1H 9LT

CPOMs

CPOMS is the market leading software application for monitoring child protection, safeguarding and a whole range of pastoral and welfare issues. Working alongside a school's existing safeguarding processes, CPOMS is an intuitive system to help with the management and recording of child protection, behavioural issues, bullying, special educational needs, domestic issues and much more. Using CPOMS, schools can ensure that students are safe and fully supported, whilst school staff can focus on teaching and providing support, instead of administration.

For more information refer to <u>CPOMS</u> If you are unable to visit the website, the postal address:

 Unit 7 Acorn Business Park, Skipton,North Yorkshire, BD23 2UE

MARK by Rising Stars

Trusted by over 6,000 schools for valid, easy-to-use assessment reporting and used by teachers to analyse over 4 million papers
Enables teachers to:

Quickly analyse gaps in learning to inform targeted teaching.
Enter paper test scores into online mark sheets or, if you're using the auto-marked, online, interactive versions of the tests, all results will feed through automatically.
Effortlessly generate reports for individuals, classes, schools and tailored groups to view and compare pupil progress and attainment.
Easily download visual reports that can be shared as PDFs with teachers, senior leaders, MAT leaders, governors, parents and Ofsted.

For more information refer to <u>MARK</u>. If you are unable to visit the website, the postal address is

Third Space Learning

Third Space Learning is the UK's largest online maths tutoring company for schools.

Founded in 2013, we're committed to closing the maths attainment gap through online one to one teaching from our specialist maths tutors. Over the last 7 years over 2,000 schools have used our intervention programmes. Our one to one maths tuition is delivered online. This allows class teachers to direct each programme to target individual learning gaps as they arise. The result is a highly effective and completely personalised intervention, designed by teachers, for teachers.

For more information visit **Third Space Learning.** The postal address is: 38-40 Commercial Rd, London E1 1LN

Wonde

Wonde delivers school data from a Student Information System (Integris) and simple logins for a teachers and students. It will be used to obtain personal data from the school's management information system to ensure the management and distribution of Covid Winter Grant food vouchers and feeds data through to Accelerated Reader and SchoolMoney.

Wonde's Privacy Notice is available at this link:

https://wonde.com/privacy-policy

The Data Protection Officer for Wonde may be contacted by Telephone: 01638 779 144 or E-mail: hello@wonde.com
